High Above

High above a Pi Phi's garter, high
Above her knees, lies the sourse
of Pi Phi passion--her virginity.

Raise her skirt a little higher,
lay her in the grass. All I live
and die for is a piece of Pi Phi ass!

(Often sung to I.U. alma mater)

Ole Man Tucker

Ole man Tucker was a hell of a man,

Who went to bed, tool in hand.

Lined a hundred women against the wall,

Swore "By God" he'd screw 'em all.

Screwed 98 'till his tool turned blue,

Then he backed off, whacked off,

And screwed the other two!

I Love My Girl

I love my girl yes I do, yes I do,

I love her truly--- I love the hole she pisses through.

I Love her ruby red lips and her lily white tits,

And the hair around her asshole.

I'd eat her shit if she ask me to--- Woof, woof woof, woof,

Yes! I'd eat her shit

Calumbo

In 1400 and 92, Calumbo from Italy

He hung around in every street and

shit in every alley.

Chorus All night long---from midnight on (after every verse)

Oh, Calumbo went t the queen of Spain

To ask for Ships and cargo, She said

I'll have your Dago ass if you don't bring back Chicago!

For forty days and forty nights the sailed the whole

Atlantic without a piece of ass in sight, the

Crew damn near went frantic.

The cabin boy, the cabin boy ---oh he was quite a ripper,

He lined his ass with broken glass,

And circumcised the skipper.

They spotted a shore, they spotted a whore,

Off came shirts and collars. In 20 minutes

by the clock of time that whore made a million dollars!
